Don't cancel Sensei Abuamerican

They tried to kill my brother, which I take serious to my utmost.

Don't kill my brother, he is innocent!

Familiar with [@Abuamerican](#) on [x.com](#)? I love my brother grind, like a lot. He brings a fresh good perspection/takes on reality to the public discourse and I love hin for that. Of course, I did an [archive.today](#) version of his worrying tweet that he stepped over the line. Find me any men publicly active for a few years, and I bring you evidence to make him hanged from the leftists point of view, the rightists point of view and the libertarian point of view. I hope I can get the real quote verbatim. #KeinWortIstIllegal (free speech can't be illegal!)

Hi Sensei Abuamerican, Your account, @Abuamerican has been locked for violating the **Twitter Rules.**

Specifically for:

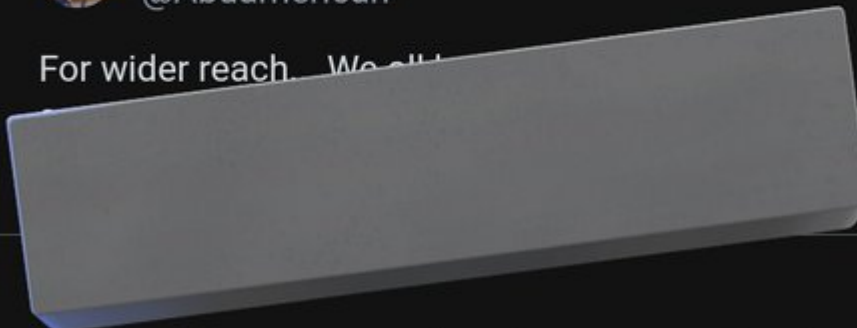

Violating our rules against posting media depicting gratuitous gore.

You may not share excessively graphic media (e.g., severe injuries, torture). Exposure to gratuitous gore can be harmful, especially if the content is posted with intent to delight in cruelty or for sadistic pleasure.

Sensei Abuamerican
@Abuamerican

For wider reach... We all

Please note that repeated violations may lead to a suspension of your account. Proceed to Twitter now to fix the issue with your account.

[Go to Twitter](#)

I ask him for his original statement, let's see if he want to get it printed. Anyhow let me just take this moment to thank Abuamerican for him doing the lords work. You can tell, the man has a busy life taking care of a lot of responsibilities. Specifically than he shouldn't snap and violate x.com's Rules. While I can forgive for that, since he overall presence is positiv. Very positive! He fixes peoples life and he helped me to have a better marriage. How can you hate on that? A better marriage, kido is happy that I know him.

So there is that! 🙄

Take Care,

Best Regards,

Able D. B. Paryon

Ps: I heard the word that Sensei Abuamerican is just a #Künstlername von der Kunstfreiheit gedeckt. He has next to his artistic name, a complete separate legal entity called [@AbdurrahmaanAA](#) which is a complete different legal entity. Than let's say [@Abdurrahmaan](#). Plz, no ban! 😞
